Jordan L. Campbell, D.D.S. & Jacob A. Amato, D.D.S. 513.248.1233

Dear Patients,

It is hard to believe that it has already been two years since we moved to our new location - time certainly does fly! We truly appreciate all the positive feedback that we have received, especially the improved parking and accessibility to the office. We are extremely proud of how everything has turned out and look forward to this being our home for generations to come.

I am happy to announce the addition of Dr. Jacob Amato to the practice! A native of northeast Ohio, Dr. Amato is a fellow graduate of the Ohio State University College of Dentistry and has spent the last two years working in Hillsboro, OH. We are excited for him to join the team and he is looking forward to meeting all of you.

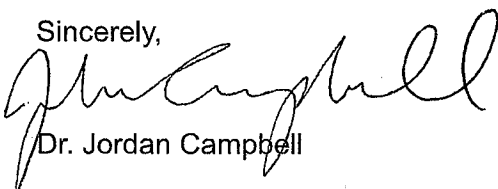

Dr. Gade, who many of you had the opportunity to meet over the last two years, and her husband Kevin recently welcomed their first child, a baby girl named Nora. She has made the decision to take some additional time off and will not be returning following her maternity leave. We certainly thank her for spending the last two years with us and wish her the best in the future.

In addition to Dr. Amato, we have new members on our hygiene team working alongside Meg. Becca, Madi, and Nikki have joined the office and many of you will see them in the coming months during your next cleaning appointment. Our team of assistants remains unchanged, with Shannon, Tina, Becky and Savannah supporting myself and Dr. Amato. Our Office Manager Suzanne, Clinical Coordinator Ashton, and Tom will greet you when you arrive and help you with any scheduling and insurance needs.

In early 2023, we implemented an electronic billing system. This allows us the ability to send statements through both text message and email, drastically decreasing the amount of paper mail we need to send. Be on the lookout for a message that says, "Thank you for your recent visit to our office" and a link to view and pay your statement electronically. Many of you have already taken advantage of this and like the convenience of paying online.

Lastly, to ensure appointment availability for our loyal patient base, we are temporarily limiting new patient appointments. Should you have any questions, concerns, or feedback please contact the office. You can visit our website at milfordfamdentistry.com and our Facebook page for more updates. Thank you for continuing to place your trust in me and my team as we take pride in providing you with quality, compassionate care.

Sincerely,

Dr. Jordan Campbell
